Participate in the NSSO Survey and contribute in the Development of the Nation

Government uses data for formulation and implementation of welfare policies. NSSO conducts surveys on such welfare issues to collect information. In the current survey, NSSO is collecting information on following issues:

- **Situation Assessment of Agricultural Households, Land and Livestock Holdings, etc.**
- **Time Use**

The information collected by NSSO shall be kept confidential and would be used only for the purposes such as planning, policy formulation and research.

The officers deputed by NSSO will visit the selected households to collect information. Please co-operate with these officers in providing correct and complete information and contribute in the development of the nation.
