The National Sample Survey Office (NSSO) conducts nationwide sample surveys on various subjects for providing inputs for better planning and policy formulation by the Government for the development of the nation. Some of these surveys/subjects are as under:

- Socio-Economic Surveys on subjects like Consumer Expenditure, Health, Education, Agricultural Households and Debt & Investment
- Periodic Labour Force Survey for generating quarterly estimates relating to Employment-Unemployment
- Annual Survey of Industries for providing estimates relating to Industrial Statistics
- Supervision of Crop Estimation Survey to improve estimates of area and yield of principal crops
- Collection of prices to measure change in wholesale and retail prices

The officers deputed by NSSO will visit the selected households/enterprises to collect information. Please co-operate with these officers by providing correct and complete information and contribute in the development of nation.

The information collected by NSSO shall be kept confidential and would be used only for the purposes such as planning, policy formulation and research.
